THE SEVEN CHAKRAS

1. The Muladhara Chakra is located at the base of the spine and is associated with the color red, earth, grounding and abundance.

2. The Svadhisthana Chakra is located just below the navel and is associated with the color orange, water, sexuality and creativity.

3. The Manipura Chakra is located at the level of the solar plexus and is associated with the color yellow, fire, and power in the world.

4. The Anahata Chakra is located at the level of the heart and is associated with the color green, air, love and compassion.

The Visuddha Chakra 5. is located at the level of the throat and is associated with the color blue, ether, communication and self-expression.

The Ajna Chakra 6. is located at the forehead and is associated with the color indigo or purple, light, and psychic perception.

The Sahasrara 7. Chakra is located above the crown of the head and is associated with the color violet or white, energy, spirit, and higher consciousness.
